## Description

A solid example of the popular Mariner 26 Pacer Flybridge. The V8 Chrysler power plant has a rebuild history that can be extensively documented. Not to mention the boats overall conclusive service file. It is shaft driven for ease of maintenance. Huge outdoor cockpit area for entertaining. enclosed head with toilet and shower. The flybridge space offers a seperate helm area for mum and dad. These boats are incredibly practical and affordable. In actual fact quite economical at a 10 knot cruise speed. The galley area is spacious and well laid out. Call ahead to arrange your inspection.
