## Description

A beautifully presented 411 Meridian, and it's a 2007 model! We must also point out that it has the 425 horsepower options supplied by Cummins. These 411's are very rare with the larger motors. Of course the boat has a generator on board which supplies power to all of the creature comforts. Multi zoned reverse cycle aircon etc is part of the standard feature list. Upgraded fridge and freezers. Bow and stern thrusters for ease of berthing.

Northstar/Raymarine electronics. Beautifully upholstered in both upper and lower living areas. Canvas and clears are very new! Desal water maker, New batteries throughout the boat, Transom BBQ system, Washer/Dryer, Wireless bluetooth music system and even the ultrasonic antifoul feature. The engine room is presented immaculately. Note the intergrated staircase to the bridge that also acts as ample access to the engine room. This boat is truly a gem. Hydraulic davit with centre console tender. The forward island bed stateroom is lavishly appointed with ample room for long stays away. There is a second double cabin with it's own ensuite. These boats sleep up to 6 adults in comfort. Effortless modern cruise speeds make this vessel a pleasure to drive. Inspection is a must and by appointment only.
