Description

A gorgeous 3300 Sunrunner. Kept beautifully inside and out. Stainless bbq system on the stern with a quality tender and outboard. This boat does truly offer significant value. A complete new engine and sterndrive package was installed pre 2015. We suggest these engines have incredibly low hours. Note the engine bay photography. Modern motoring! The ever important manifolds and risers have also just been done in 2023. It is a vessel that we welcome with any inspection in fact. Please make contact for all documented history. Turn key boating for summer.
