

**HIRERS MUST:**

- Be sensible & responsible
- Avoid shallow/rocky waters
- Avoid oyster leases
- Keep boat clean and tidy
- Remove all rubbish from boat
- Return to the marina by due time (indicated on receipt)
- Travel slowly and carefully around marina

**HIRERS MUST NOT:**

- Exceed 0.05 BAC limit
- Overload the boat
- Travel through moored boats
- Gut &/or scale fish in boat
- Exceed Hire Limits (see other side)
- Tow other boats, kayaks, ski tubes etc.

**FAILURE TO OBEY THESE RULES MAY RESULT IN A FORFEIT OF YOUR DEPOSIT.**

**Anchor use:**

1. Ensure anchor and rope are clear of arms/legs/belongings
2. Lower anchor into water
3. When rope is slack continue to allow more rope out
4. Tie off rope on bow of boat

**Engine Starting/Running operations:**

1. Ensure gear lever is in neutral (vertical) position.
2. Turn key once, proceed to turn again and hold until motor starts. When started release key.
3. Move gear lever in direction you wish to travel (forward or reverse)
4. Accelerate by pushing gear lever forward or back to increase and decrease speed.
5. Steer boat by turning steering wheel clockwise and anti clockwise.
6. To stop engine, engage neutral and turn key to off position
7. If high pitched alarm sounds, stop engine, call marina.

**Safety:**

### Important Notice

We have a duty of care to look after your wellbeing. If you have not returned to the marina by the finish time on your hire boat receipt we are obliged to assume that you are having difficulties or are in trouble. Consequently we have to dispatch our rescue boat to look for you. If we do this needlessly e.g. you have overlooked or misjudged the time, your bond will be withheld.
