Where to paddle?

If enjoying a healthy amount of sun while paddling downstream and relaxing by the water is your thing, then why not do the 1hr paddle to Crosslands campsite? Catering for everyone with loads of room for activities, electric BBQ's and public toilets it makes for a great day out on the kayak. Or if paddling and fishing is your thing, refer to the map for a bunch of great fishing locations.

Important Notice

We have a duty of care to look after your wellbeing. If you have not returned to the marina by the finish time on your hire boat receipt we are obliged to assume that you are having difficulties or are in trouble. Consequently we have to dispatch our rescue boat to look for you. If we do this needlessly e.g. you have overlooked or misjudged the time, your bond will be withheld.

Crosslands Camp Site

Crossing ferry cables

When crossing ferry cables wait until ferry has completely stopped on either side. When it has done so, Proceed to cross in-between the ferry and the shore.

Navigation

Always steer clear of moving boats. To avoid rolling over, always paddle head on into waves.

In the event of an emergency:

1. Put life jackets on
2. Notify marina (9456 7000)
3. Call '000' for a medical emergency
4. Call '112' if out of reception for an emergency
5. Call surrounding boats for assistance
