

HIRERS MUST:

- Be sensible & responsible
- Avoid shallow/rocky waters
- Avoid oyster leases
- Keep boat clean and tidy
- Remove all rubbish from boat
- Return to the marina by due time (indicated on receipt)
- Travel slowly and carefully around marina

HIRERS MUST NOT:

- Exceed 0.05 BAC limit
- Overload the boat
- Travel through moored boats
- Gut &/or scale fish in boat
- Exceed Hire Limits (see other side)
- Tow other boats, kayaks, ski tubes etc.

FAILURE TO OBEY THESE RULES MAY RESULT IN A FORFEIT OF YOUR DEPOSIT.

Anchor use:

1. Ensure anchor and rope are clear of arms/legs/belongings
2. Lower anchor into water
3. When rope is slack continue to allow more rope out
4. Tie off rope on bow of boat

Engine Starting/Running operations:

1. Ensure gear lever is in neutral (vertical) position.
2. Attach kill switch to red button
3. Do not adjust choke
4. Close throttle (turn clockwise)
5. Pull start engine with the 'pull cord'
6. Once started, shift gear lever in the direction you wish to travel (forward or reverse)
7. Accelerate by twisting throttle on hand grip anti clockwise (do not over accelerate in reverse)
8. Steer boat by moving tiller sideways
9. To stop engine simply pull kill switch off the red button

Safety:

- Maximum 6 people on board (including children)
- Lifejackets are provided for each person
- Children 12 and under must wear lifejacket at all times
- If consuming alcohol do not exceed 0.05 BAC limit

Important Notice

We have a duty of care to look after your wellbeing. If you have not returned to the marina by the finish time on your hire boat receipt we are obliged to assume that you are having difficulties or are in trouble. Consequently we have to dispatch our rescue boat to look for you. If we do this needlessly e.g. you have overlooked or misjudged the time, your bond will be withheld.
